6

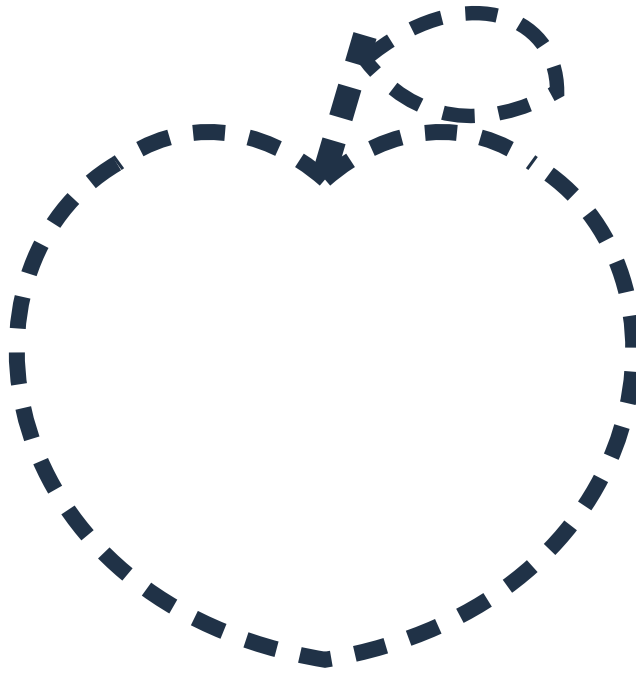

Color your apple

Name: _____

Trace and Color the Apple

Trace the large dotted apple, then add your favorite colors.

Add a face, spots, stripes, or a tiny worm if you like.

Name: _____

Draw Your Own Apple

Use the six steps from page 1. Draw big and fill the space.

Use the light shape if you want, or create your own apple scene.

Name: _____

Finish the Apple Patterns

Look at each sequence. Color the two dotted apples to continue it.

red, green, red, green ...

red, red, gold, red ...

green, gold, gold, green ...

Name: _____

Read, Trace, and Write

Say the sentence. Trace it once, then write it yourself.

This is my apple.

Trace: This is my apple.

Complete the sentence:

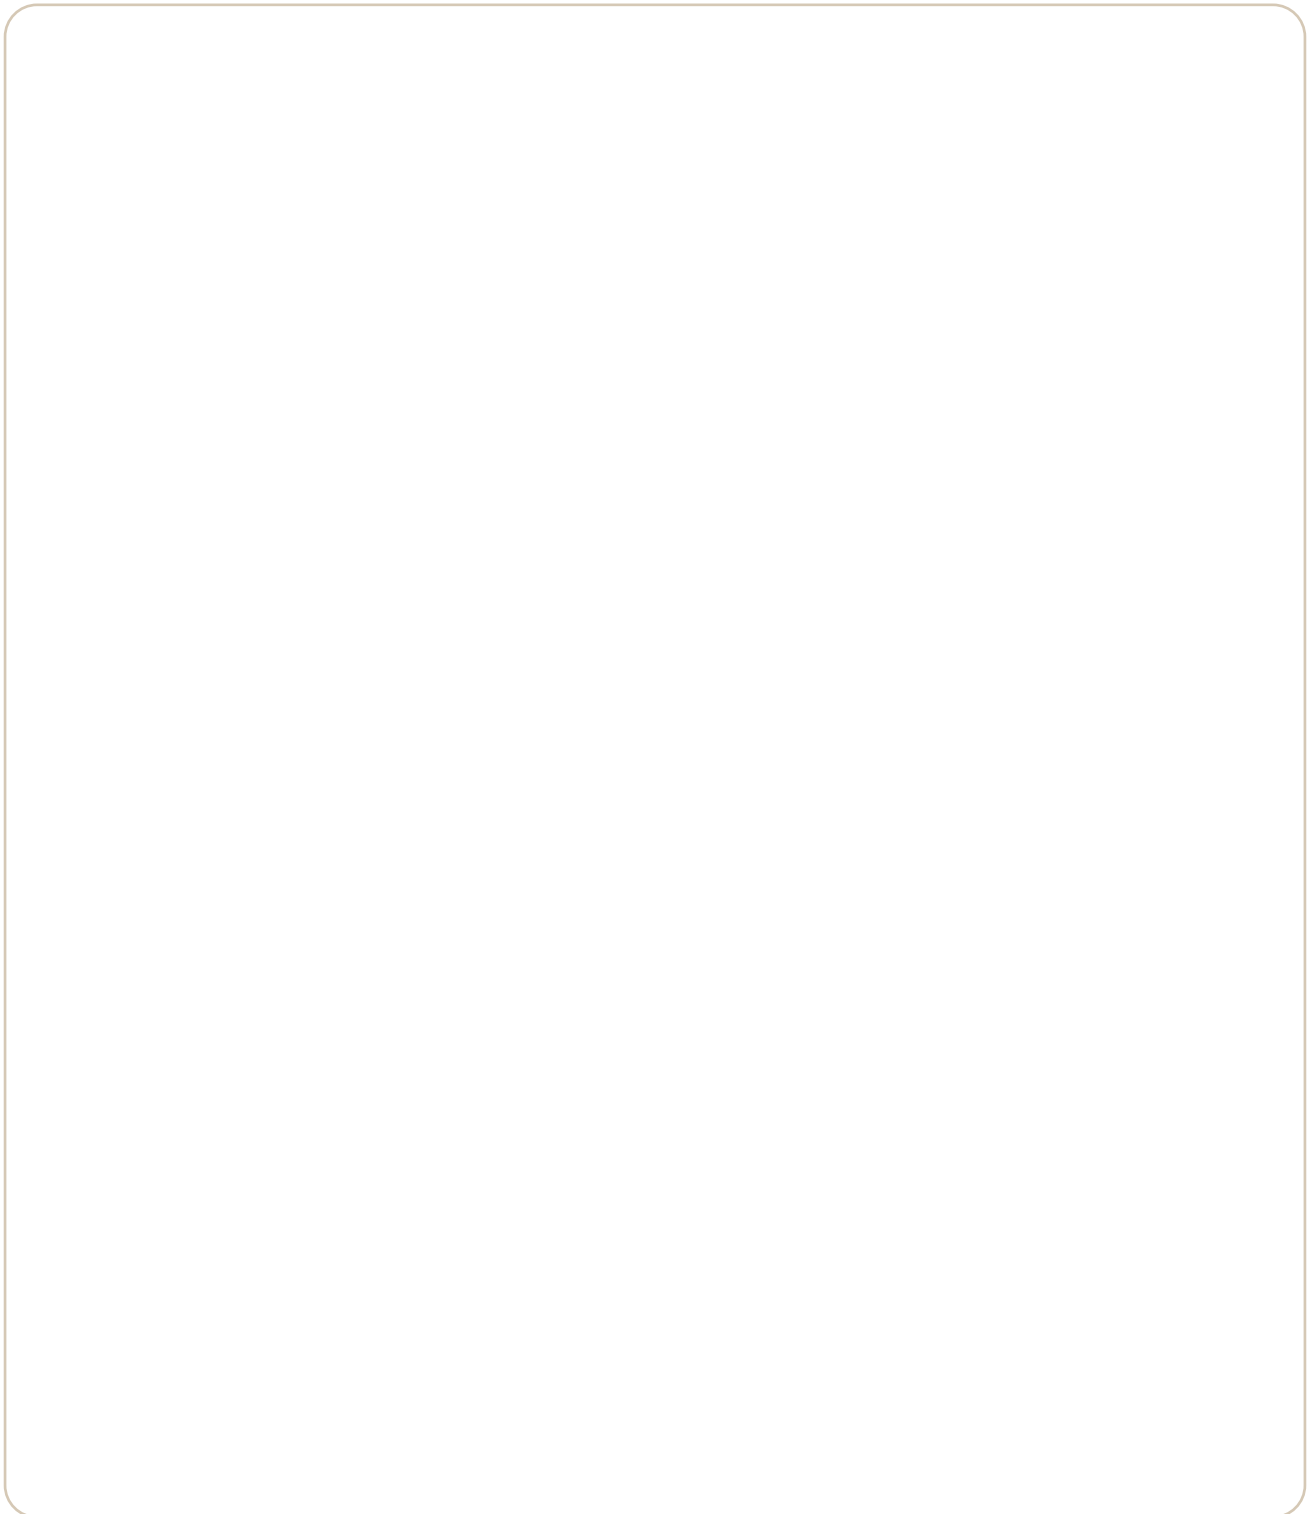

My apple is _____.

Try a word such as red, shiny, tiny, crunchy, or sweet.

My Apple Masterpiece

Name: _____

Draw an apple scene and tell someone about your picture.

I used these colors:
